## RECEPTION FOR FIFTIETH ANNIVERSARY.

Yesterday was the fiftieth birthday anniversary of Rev. Karl Nilsson of the First Swedish Lutheran church. A social and reception was given by the members of the church in honor of the occasion. The evening was to have been spent on the lawn but the sudden showers forced the guests to go inside. There was a short informal program opened by scripture and prayer by Louis Wessel. A congratulatory address was given to the pastor by Alfred Peniston after which the guests presented Reverend Nilsson with a bank book of a considerable sum of money represented. The pastor responded with a message of thanks. Refreshments were passed by members of the Ladies' Aid society. Rev. and Mrs. Nilsson have resided here since 1913, when the pastor was ordained and came here. Best wishes will be extended to both on the occasion of the anniversary.

## If Too Fat Get More Fresh Air

Be Moderate in Your Diet and Reduce Your Weight. Take Oil of Kerefin.

Lack of fresh air it is said weakens the oxygen carrying power of the blood, the liver becomes sluggish, fat accumulates and the action of many of the vital organs are hindered thereby. The heart action becomes weak, work is an effort and the beauty of the figure is destroyed.

Fat put on by indoor life is unhealthy and if nature is not assisted in throwing it off a serious case of obesity may result. When you feel that you are getting too stout, take the matter in hand at once. Don't wait until your figure has become a joke and your health ruined through carrying around a burden of unsightly and unhealthy fat.

Spend as much time as you possibly can in the open air, breathe deeply, and get from John J. Foley (Harper House pharmacy) or any druggist a box of oil of kerefin capsules; take one after each meal and one before retiring at night.

Weigh yourself every few days and keep up the treatment until you are down to normal. Oil of kerefin is absolutely harmless, is pleasant to take, helps the digestion and even a few days' treatment has been reported to show a noticeable reduction in weight.

speaking on "The Three D's." Dr. John Stevenson, who has so ably filled Broadway's pulpit for the past month will conduct the devotional service in the morning.

The program at 6:30 will include the following topics: Meetings, committees, prayer, bible reading, singing, fellowship, worth-while citizenship, missions, work with pastors, young people, membership, and unions. There will also be special music by the juniors and Miss Anna Marie Van Duzer of the intermediate department.

At 7:30 the following program will be given:

Praise service—E. M. Stone.

Devotional service—Miss Beryl Titterton.

Prayer—W. M. Stewart.

"Youth, the Worth While Capital of the Modern Church: Their Greatest Danger; Their Only Hope; Organized for Strength; Trained for Service; Commissioned for Conquest."

Solo—E. R. Herlocker.

## COMMISSION GIVES OWNER OF LAND \$300

The municipal commission held a special meeting yesterday afternoon and awarded a claim of \$300 to William Redecker, through whose land water from the reservoir passes. Mr. Redecker owns a tract of land on Eighteenth avenue and Twenty-fourth street. There was a pond on the property and water from the reservoir drained into it. Mr. Redecker installed some tile and drained the land off. Now waste water from the reservoir passes through his drain. He presented a bill to the commission for \$500, but city authorities allowed him only \$300. This is not satisfactory to Mr. Redecker and he intends submitting an itemized account of the cost. The commission will take the matter up again. The owner of the land is willing to stand for part of the cost of tiling, but is of the opinion that the city should pay \$500.

## THE JOY OF MOTHERHOOD

Words of Encouragement to Childless Women.

Motherhood is woman's natural destiny, but many women are denied the happiness of children simply because of some curable derangement. Among the many triumphs of Lydia E. Pinkham's Vegetable Compound is its marvelous power to overcome such derangements, as evidenced by the following letter:

Worcester, Mass.—"I suffered from female ills, and was advised to have an operation, but a friend who had taken Lydia E. Pinkham's Vegetable Compound and who has six children, told me to try it. It has helped me so much that I am now well and have a baby who is the picture of health, and I thank the Vegetable Compound for my restoration to health."

—Mrs. BERT GARVEY, 20 Hacker St., Worcester, Mass.

In many other homes, once childless, there are now children because of the fact that Lydia E. Pinkham's Vegetable Compound makes women normal, healthy and strong.

## HOUSEHOLD HINTS

### USES FOR SODA.

A package of common baking soda should always be convenient.

As a tooth powder it leaves nothing to be desired, for it whitens the teeth, brightens gold fillings and sweetens the breath.

A large spoonful in the water in which one bathes his face will remove the dust and dirt.

When tired out and the feet hurt, rub a foot bath, as hot as one can bear, in which is thrown a small handful of soda, will relieve the feet.

A very bad sore throat can be helped by the use of it. For an adult take about one-fourth teaspoon of it and allow it to dissolve in the throat. For children a smaller quantity. Repeat three or four times a day. Spit out as much of it as you can each time.

### THE TABLE.

Peerless Spice Cake—Two cups brown sugar, one-half cup butter, two eggs, beaten separately, one teaspoon each of cinnamon and allspice, one-half teaspoon ground cloves; any desired flavoring, one cup of very cold water; two and two-thirds cups flour (measure before sifting), two teaspoons baking powder. Bake in two layers. Put together with tart jelly and one-half cup seeded raisins; put raisins on back of stove with a little boiling water to soften, then mix with jelly and put between layers of cake. Frost cake on top; also sides and let stand a day or two before using. A good frosting for this cake is: One cup brown sugar, one teaspoon butter, one-half cup milk, one-half teaspoon vanilla; cook until very thick; remove from fire and stir until creamy.

Chili Sauce—One-half bushel ripe tomatoes, one-half peck onions, 12 green peppers, two bunches celery. Peel tomatoes and slice; chop onions, peppers and celery fine; add tomatoes, put on fire with one-half gallon vinegar, one pound brown sugar, one cup salt; one ounce each of ground cinnamon, pepper (black), allspice, cloves, ginger and nutmeg. (The spices in cheese cloth bag). Cook slowly for two hours or until you have the desired thickness, stirring constantly; put in glass jars.

English Pork Pie is a very popular dish in that country. Mix three-quarter cup boiling water with scant cup lard or drippings. Sift one-quarter teaspoon salt with two and one-half cups flour and beat into hot mixture. Chill, roll out one-quarter inch thick. Set a two-quart fruit jar bottom end up and shape the pastry over it. Set in refrigerator. Chop fine the meat from two pounds lean pork chops. Fry slowly in one tablespoon butter. Boil the bones in one quart water and one tablespoon

lemon juice until meat falls from bones. Pour the liquid over the meat. Carefully remove the jar from the pastry and fill the crust with meat. Roll out a cover for the "pie" and bake slowly three-quarter hour.

Owing to its richness one slice makes a generous serving. Serve cold with a cress garnish.

Virginia Spoon Bread—One cup cooked hominy, four tablespoons lard, one cup milk, three eggs, two cups cornmeal, four teaspoons baking powder, one tablespoon melted butter, half teaspoon salt. Mix lard with hot hominy. When cold, add milk, eggs, well beaten, cornmeal mixed and sifted with baking powder, melted butter and salt. Bake in buttered pans thirty to forty minutes.
